TO THE KIND ATTENTION OF ALL ISSF MEMBER FEDERATIONS

Dear Sport Shooting Friends,

I am very sorry to inform you that on today's meeting after a long discussion based on all currently available information and knowledge of the pandemic of COVID-19 the Organizing Committee pronounced the holding of the European Olympic Qualification Championship 2020 impossible.

The meeting of the Presidium of the Czech Shooting Federation followed. As a follow-up to the ISSF appeal to the Member Federation to take a decision whether to host the upcoming competitions and to the postponement of the Olympic Games in Tokyo 2020, the Presidium took a decision **to cancel our organization of the European Olympic Qualification Championship 2020**. Thank you for your understanding.

With my best wishes and regards

Jiří Streit
