

attn. Mr. Nenad Putnik, President

Dear Mr. President,

On behalf of the entire Hungarian shooting family, let us convey you our deepest feelings of sympathy and condolences over the terrible loss of your outstanding shooter Bobana Velickovic Momcilovic.

Our shooters cherished excellent relationship and sport friendship with Bobana and were were utterly shocked about this brutal, unbelievable news. We still remember very well the glorious moments in Wroclaw when she became European champion, obtained Olympic quota place while expecting her baby and were very happy to assist the victory of a true champion.

Her talent, her smile, her dedication toward shooting sport will be horribly missed. May we ask you to forward our message to her family as well.

with best regards
